In Memory of Jaqueline Wolf

Jacqueline S. (Bortel) Wolf was born Mar. 1, 1962 in Tecumseh, MI to Kenneth and Sandra (Hall) Bortel of Onsted, MI. She married Jeffrey Wolf on Dec. 5, 1981. She was a proud mother of three sons Adam (Kaci) Wolf, Carey, Alex (Melissa) Wolf, Upper Sandusky and Kody (Jaime) Wolf, Carey. An even prouder NaNa to her grandchildren Bradyn, Kailyn, Olan, Raelyn, Onna, Oden, Kooper, Kashen, and Kaden.

Jackie graduated in 1980 from Britton-Macon High School in Britton, MI and obtained an LPN degree from Owens Community College in 2005. She was actively involved with Trinity Evangelical Church, and was a member of the Wyandot County Farm Bureau, in addition to being a 4-H advisor for more than 30 years with Barnyard Critters.

As a 4-Her herself she won many breeding sheep shows as well as exhibiting Grand Champion Market Lamb and Reserve Grand Champion Steer at the Lenawee County Fair(MI). Jackie spent many years hauling her boys around to county, state, and national shows and loved traveling to all the different states. She was very proud of all 3 of her boy's accomplishments and played a huge role in all the success they had.

She loved people and was known for her compassion and supporting others. She absolutely loved being a nurse and her favorite patients were the babies she got to snuggle when she worked in Labor and Delivery.

Jackie had an infectious personality that lit up the room and was many patient's favorite nurse. Jackie In her earlier years spent a significant amount of time with her grandparents at their cabin in Johannesburg, MI. It was truly her happy place. She was a wonderful spouse, mother, and more recently "Nana".

Her grandchildren were what she lived for in her later years. Whether it was arts and crafts, plays, sports, or livestock shows she was always present and proud of them. They now have a guardian angel to watch over and protect them.

She loved the Wyandot County Fair, and you could always find her on a bench at the end of the sheep barn or in the arena. She served her Lord and knew that His timing was perfect. She is now in the presence of Jesus enjoying eternity.

3/1/1962-9/20/2025

In Memory of Julie Reidlinger

Julie Riedlinger of Upper Sandusky, Ohio, passed away on Monday, October 20, 2025, at her home, surrounded by family.

Born on May 24, 1960, in Upper Sandusky, Julie was the daughter of Donald Sr. and Nancy (Motter) Bland. She married Lynn Riedlinger on July 3, 1982, and he survives.

Julie is also survived by her children: Matt Riedlinger of Fort Lauderdale, Florida; Emily (Kip) Alspach of Upper Sandusky; and Kait (Mark) Yost of Carey. She was a proud grandmother to Lucas, Cecelia, and Miriam Alspach, and Riley Yost, Lucy Kinley, and Reid Yost.

A 1978 graduate of Upper Sandusky High School, Julie was a longtime member of Transfiguration of the Lord Catholic Church, where she served as a hospitality minister. She volunteered at St. Peter's Catholic School, working in the cafeteria and later serving as a librarian. Julie also worked as a preschool aide at Steps Preschool at Trinity Evangelical.

Julie gave generously of her time to youth and community programs. She served as a 4-H and Cloverbud advisor, was an adult staff member at 4-H Camp Kelleys Island, and volunteered as a youth advisor with the Farm Bureau.

Her greatest joy in life was her family, especially her grandchildren. She made it a priority to attend as many of their events as possible and was a constant source of encouragement and support.

The Wyandot County Fair held a special place in Julie's heart throughout her life. As a child, she attended the fair with her family, often watching the horse races with her parents and grandparents. As an adult, Julie attended every year—and every day—fully embracing all the fair had to offer. She especially enjoyed watching livestock shows, from the years her own children were exhibitors to the present day as

her grandchildren show livestock. Sheep, poultry, feeder, and steer shows were always on her must-see list. Julie and Lynn have supported feeder exhibitors for many years through the Back-to-Farm Sale.

Some of Julie's favorite fair traditions included walking through the merchant buildings with her grandchildren while "trick-or-treating" for goodies, trying their luck at the cane game, and enjoying a milkshake from the Junior Fair Lunchstand.

Perhaps the highlight of the fair for Julie each year was reconnecting with friends. She could often be found sitting on a bench near the arena, deep in conversation. Anyone who stopped to visit with her would quickly lose track of time as an hour passed in the blink of an eye.

Julie is deeply missed by her family and friends. Her love for the fair, her community, and the people around her will continue to serve as a lasting reminder of who she truly was.

In Honor of Glen "Sie" Chaffee

Glenn (Sie) is a character, and dearly loved by so many!! He has worn many hats in his lifetime! Many people may view him as an old grouch at first, and then somehow he becomes the life of the party.

He will tell you his greatest trait is his patriotism, pride in his service to others and his country! At 19 years old, right out of high school, Sie began what would be his 40 years, 7 months and 2 days of Service in Vietnam. He served in many different forms and places including Desert Storm and Iraq Freedom. When he returned from his last mission, after missing a year and a half (two birthdays) with the kids, I (his wife, Cheryl) told him he needed to retire! He has been on every continent except Australia! It is on his bucket list for the two of us to make it out to check off Australia. So far we have been to Puerto Rico, Costa Rica, and Germany! Germany was an amazing trip to watch our exchange daughter Tilly get married. Three weeks chaperoned around the whole county with her family was AMAZING!!!

1st Sgt. Glenn Chaffee
Unit Administrator
79th Quartermaster Co.
Detachment 1

There is never a dull moment with Sie, and he can't sit still. He needs to do SOMETHING, give his two cents, be involved. When he retired from the military, I thought he would get another job, but he did not. Then the Sr. Fair Board came up. This was a natural fit for him.

From running a military unit to running and helping out on the fair board. He did have to learn a bit more diplomacy. In the military as 1st Sergeant, his soldiers had to follow orders. At the fair board he had to learn to be a bit more diplomatic. That is not always easy for him, but I think he has done okay.

He will do anything for his soldiers and those he loves. Service before Self is his life!! His children (Jason, Meghan and Bradley), grandchildren, (five by the time of the 2026 fair!), and GREAT grandchildren, (three) are his pride and joy. We have also kept 5 exchange students over the years from Germany, France, and Japan. Our home was very active when we were younger. Kids, horses, calves, chickens, a pig or two, many cats and dogs and kids who needed a place to stay. Whatever showed up!

We started at the fair with horses, then feeder calves, and the kids were always doing different 4-H and FFA still projects. Chaffee loves his animals, kids, and playing on the funny farm. Firepit fun in the barnyards is always a good time.

Sie and I (Cheryl) have been married 30 years, and have lots to do on our bucket list still. Travel, camping, etc.

The man loves to cook and help out others, he makes a mean breakfast! He takes great pride in doing for others. He will help anyone he can, and has a soft heart! It's only natural that he give his time and effort to help the kids and animals at the fair! Such great value in strong work ethic, doing for others, and loving to be outdoors!

We are so very proud of this man, his Military Service, his big heart for children and animals, and his endless efforts to help in any way!

Thank you Sie!!!

An exhibitor may only win the Clean Pen Award one time during the week of the fair, but is expected to keep up the good work the remainder of fair week. Premium money may be revoked if an exhibitor has to be asked repeatedly to clean their pen and/or the aisleway in front of it.

12. **Grooming/Chute Space Guidelines**

    - No chutes, stands, tents or supplies are permitted on the fairgrounds before Saturday before check-in at 8:00a.m. This includes markings on the ground or stakes and/or ropes of any kind.
    - Only chutes and grooming supplies should be in grooming areas. Please use reasonable judgement – department personnel may ask you to remove items not used in caring for or grooming livestock.
    - Exhibitors should plan to bring their own power – our buildings and electric are not equipped to handle the demand.
    - In an effort to have room for everyone, we ask that exhibitors limit their space to only what is necessary – partner up with friends/family/club members when possible.
    - Consequences of violating these guidelines will be based on severity and frequency of violations to include: verbal warning, written warning, loss of privileges to bring tents and/or grooming chutes to the Wyandot County Fair.

SHOWMAN OF SHOWMEN

Jr. Fair Board Members:

Ashley Hohman, Chase Smith, Lyla Rall

Advisory Board: Anna Creswell, Nicole Baumer, Micayla Peschke, Donna Hohman

Judging:

Saturday, September 19th at 5:00 p.m. – Jr. Fair Arena

1. The Showman of Showmen show is a competition between the representatives of the senior showmanship classes. All senior showmanship division winners in beef feeders, dairy, dairy/crossbred dairy beef feeders, dairy/crossbred dairy beef steers, goats, horses, market beef or beef breeding, poultry, rabbits, sheep, and swine departments are eligible to compete. In order to add a livestock species to this list there must be a minimum of 10 exhibitors showing that species in one year. Additions and changes will be made the following year to the livestock list as long as 10 exhibitors are expected that year. The departments will determine how their senior age participant is selected.
2. Dress for the contest should reflect proper and appropriate show ring apparel for the specific species represented. The Junior Fair Dress Code requirements can be found in the Jr. Fair Exhibitor Rules and Requirements section of this book. Livestock do not need to be groomed, only presented clean and with appropriate show equipment.
3. Should one contestant have won two Senior Showmanship Divisions, they must decide which specie they choose to represent with the runner-up in the other division taking their place. ***Contestants must decide within 24 hours of a show if they will represent that species or not to give the runner-up time to prepare*.
4. Should someone be unable to participate, the runner-up will show. It is the responsibility of the winner to notify the runner-up of their opportunity and let the ag teachers know who is showing*** If the runner up cannot compete, then the third place contestant will be provided the opportunity. If the third-place contestant cannot compete, then the species will not be represented in Showman of Showmen for the current year.*
5. Each participant will sign a release of liability form in order to participate.
6. The contest participant will provide their animal and show equipment for the competition in the fair arena at 4:45 p.m. on Saturday of the show. If you feel your animal would not do well in Showman of Showmen and be able to be handled by all contestants, please find a suitable replacement. The poultry division must be represented by a market broiler, no matter what was shown by the winning poultry exhibitor. Animals may be switched out between rotations if needed due to animal fatigue.
7. Due to the similarity of the size and style of showmanship between the market/ breeding beef and dairy/crossbred dairy beef steers and between the beef feeders and dairy/crossbred dairy beef feeders, these exhibitors will only present one of the species for the competition on a rotating basis every two years (even years =

market/breeding beef and dairy/crossbred dairy beef feeder, odd years = dairy/ crossbred dairy beef steer and beef feeder).

8. Contestants will be asked to rotate to different species every five minutes. In addition, one rotation will be a 10 question general knowledge test on the species exhibited and the livestock industry. A second rotation will be public speaking where participants will introduce themselves, tell where they are from, what organization they represent, which species they represent, which species they show, what they like about the fair, what they are most looking forward to showing and most scared of showing, and then any additional comments they would like to make.
9. Each judge will rate the participants on a scale of one to ten, with ten being the best. The highest cumulative score will win the contest. Each contestant's score on their represented species will not be used in the scoring, though they will begin by showing their represented species. The two species "out" for the year will begin with the general knowledge test and public speaking.
10. In order to account for an uneven number of scores for those representing the cattle departments, the beef feeder and dairy/crossbred dairy beef feeder participants will not receive a score in either area and the market/breeding beef and dairy crossbred dairy beef steer participants will not receive a score in either area as well. This equalizes the number of scores.
11. Calculating the deviation in the contestant's scores will break a tie. The highest score will be subtracted from the lowest score, yielding the deviation in the contestant's scores. If a tie still exists, then the tie breaker will be the contestant's score on the general knowledge test.
12. A suitable representative of representatives chosen by the Wyandot County Agricultural Education Instructors will judge each division.
13. An exhibitor may only win the Showman of Showmen contest one time during their Jr. Fair career. Contestants may participate more than one time depending on senior showmanship eligibility as set by the departments.

3. A Team of 3rd party evaluators will be present at Sunday night check in to determine breed eligibility of feeder calves. The decision that is made by the evaluators is final. Any feeder calves determined to be entered in the wrong class at check-in will be moved to the appropriate class provided the exhibitor does not exceed the limit (2) for that class. If the classification of animals at check in results in too many in a class, exhibitors may choose to show up a class (dairy feeders bump to crossbred, crossbred bump to beef) rather than going home.
4. All feeder calves must be ear tagged by the Jr. Fair on the first Saturday in June.
5. Each exhibitor may only exhibit 2 feeders per class but may tag up to 3 feeders per class. With family tagging any child within that family may choose from the total number that were tagged per class.
6. All feeder calves must be properly dehorned with regrowth of 1 inch or less.
7. All male feeder calves must be properly castrated surgically or by banding before July 15th. It must be noted by the veterinarian on the health certificate. If there is any evidence of testicular tissue at Sunday night check in, the animal will be disqualified and the exhibitor will not receive premium.
8. All feeder calves must be accompanied by a certificate of vaccination issued by a veterinarian. They are also required to have 2 vaccinations. One shot will be on the first Saturday in June ($10 per calf) and again between July 10th and August 15th when the certificate is issued.
9. Maximum weight for feeder calves is 650 lbs. All feeder calves will be weighed during Sunday night check-in. Up to 2 reweighs will be allowed prior to 6:00 p.m. on Sunday night for calves within 10 lbs. of the maximum weight of 650 lbs.
10. Overweight calves will not be eligible for champion or reserve champion, but will be eligible for rate of gain awards.
11. No gates or fan cages are to be set up in the dairy feeder barns before 6p.m. on the Sunday evening of check in.
