

Wyandot County Junior Fair Involvement & Leadership Opportunities

Junior Fair Lunch Stand

Operated by the Junior Fair Board, the lunch stand serves as their largest fundraiser and provides funds for supplies in the Junior Fair Barns, supplies for workdays, permanent improvements (like having arena gates painted), donor thank you cards and postage, and expenses associated with our royalty programs.

We Need Your Help! Great Community Service Opportunity!

The lunch stand is staffed by the Junior Fair Board and volunteers like you! **Spend a couple hours volunteering as a club (6-8 members), or sign up individual members.** The lunch stand is open from 7am – 9pm with volunteers being needed most starting at 11am. There are many places for volunteers – taking orders, handing out food and drinks, making sandwiches and of course helping with milkshakes! (Don't worry, we use soft serve machines now, no hand dipping!) Someone will be there to show you the ropes. Younger members should have an adult with them.

Many hands make light work – you don't have to be a Junior Fair member to volunteer, we'll take advisors, parents, alumni and anyone willing to spend a few hours supporting Junior Fair!
