In Memory of Alice Wolf

Alice E. Wolf, age 94, of Carey died Friday Aug. 16, 2024 at The Willows at Tiffin. She was born Sept. 30, 1929 in Upper Sandusky to the late Adam J. & Olivia V. (Culver) Leightey. Alice married Nelson N. Wolf on Oct. 3, 1953 and he passed on Jan. 1, 1991. She is survived by her children Jim (Tressa) Wolf, IN, Jerry (Deb) Wolf, Carey, Jeff (Jackie) Wolf, Carey, Donna (Mike) Miller, Upper Sandusky, 12 grandchildren; Shera, Kendra, Adam, Jessica, Jeremy, Allison, Julie, Alex, Shay, Ashley, Austin, Kody, 34 great grandchildren, and a brother Frank Leightey, Upper Sandusky. She was preceded in death by a grandchild Christopher Michael Miller, a great grandchild Halli Blake Wolf, a brother David Leightey, a sister Donna Ramsey, sister-in-law Elaine Leightey, and brother-in-law Newt Ramsey. Alice graduated from USHS with the class of 1947. She was a member of Trinity Evangelical Church. She was a homemaker and worked at the former Woody's Restaurant where she was the dessert specialist becoming popularly known as "The Pie Lady". In her early years, before marriage, she worked for the Wyandot County Farm Bureau. She was a 4-H Advisor for over 50 years and was an Honorary Ohio State Fair Hall of Fame Recipient. As a young 4-H member, Alice's claim to fame was having the 1950 Grand Champion Steer at the Ohio State Fair.

The Wyandot County Fair and the Ohio State Fair were always near and dear to Alice, missing only 2 state fairs in her lifetime. Her father, Adam, established a legacy of serving on the Wyandot County Fair Board for over 40 years and many of those were as president. His passion for helping to make the fair what it is today inspired Alice's sons, Jerry, Jeff, grandson Alex and grand-daughter-in law, Kaci to serve a combined 48 years in different capacities. 4-H and FFA involvement were always important to the Wolf family with all four of Alice and Nelson's children serving on the Wyandot County Jr. Fair Board. Followed

later with eight of her grandchildren serving on the Jr. Fair Board for a combined 20 plus years. Her legacy continues on now with a fourth generation...two great grandchildren currently serving on the Jr. Fair Board and thirteen great grandchildren active in their local 4-H clubs.

Alice always enjoyed catching up with family and friends at the fair. She was usually found seated comfortably at the north end of the sheep barn. She will be greatly missed at the year's Wyandot County Fair by her family and many dear friends.

In Honor of Pat Seifert, Carla Zeigler & Jennifer Nash

Sisters Pat Seifert, Carla Zeigler and Jennifer Nash (Clark) have volunteered for a combined total of 151 years of leadership of the Stable Stompers 4-H club. While Carla and Jennifer both retired after the 2022 fair, Pat retired after the 2024 fair.

Pat started her 4-H career in the 1950's showing breeding hogs with her Dad Jack Clark. In the 1970's Pat started a 4H club that was initially small animals but later changed to a horse club, Stable Stompers.

Carla and Jennifer joined in as advisors with Jennifer retiring after 49 years of service and Carla 47.

When Pat retired she had 55 years as an advisor. During this time, Pat also served on Sr Fair board for several years where she started the goat department and was a long time Jr. Fair Board Horse Advisor. One of her biggest accomplishments was leading the horse stall replacement project for the Jr Fair barn, spending countless hours planning and getting donations.

While they are no longer involved in 4H, you'll still find the "Clark sisters" at the Wyandot County Fair, rain or shine. They all have fond memories from working with 4H members (that often covered 2-3 generations!) and friendships created.

JR. FAIR EXHIBITOR RULES & REQUIREMENTS

Exhibitors should examine the following rules in order to understand the manner in which the Jr. Fair will be conducted, These rules will supersede those of any Jr. Fair organization.

The Jr. Fair is under the jurisdiction of the Jr. Fair Board with the Advisory Board and Senior Fair Board acting in a supervisory capacity. All rules and regulations pertaining to the general conduct of the Sr. Fair also apply to the Jr. Fair.

Jr. Fair Board members and advisory board members will serve as superintendents in the various departments and are empowered to decide all questions not covered by these rules. The Jr. Fair department superintendents reserve the right to interpret and administer department requirements as they see fit as a group.

The Advisory Board consists of Sr. Fair Board Members, the Agricultural Education Instructors, 4-H Representatives, the 4-H Extension Educator, FCCLA, Scout Leaders, Art and Industrial Art Teachers, and department advisors.

Jr. Fair Board members are high school students who are nominated by Jr. Fair organizations or departments of which they are currently active members or students. Appointment will be based on leadership, dependability, and achievement. Jr. Fair Board members must be active members of a Jr. Fair organization or department for the duration of their terms. The term of office shall be two years. However, a member can re-apply and be a member of the Jr. Fair Board until they have passed their 19th birthday by the first day of the year he/she would be on the board. This would allow youth to be on the board during their high school years.

 - There will be an allowance for 2 reweighs in the following departments: Swine, Sheep, Rabbits, Feeders and Steers. See department rules for more info.
9. Each exhibitor is responsible for the care and feeding of their animal at all times.
10. There will be veterinarian livestock inspections during the fair beginning at check in. Any animals showing signs of contagious diseases or poor health will be removed from the grounds. To avoid having to take your projects home, have your animals inspected for common diseases. (Poultry and rabbits— mites, cankers, ect. Others—ringworm ect.) Poultry and rabbits will be examined when they arrive or soon after.
11. **Premiums will be withheld from exhibitors if they fail to maintain general healthy conditions for their animals—to be monitored by the department staff and the Wyandot County Fair Vet.**
12. All cattle must be free of ringworm. Warts are at vet's discretion. Any animals exhibiting these diseases will not be permitted to remain on the fairgrounds.
13. All animals must be in their assigned pens, without body coverings such as blankets and hoods, for veterinary inspections.
14. A Certificate of Vaccination is required for horses and feeder calves only. This can be filled out by your veterinarian at the time of vaccination and does not require a visual inspection of the animal within 30 days of the Fair.
15. If you have any concerns about whether or not your animal is healthy for the fair, you should have the animal examined by a veterinarian prior to the arrival at the fair.
16. Drug Use Notification Forms (DUNF) must be completed for all junior market livestock (including poultry, feeder calves, lactating dairy cattle and lactating goats) These forms must be completed online the night of check in and accurate in order to show. The DUNF form must be reviewed for compliance with mandatory annual attendance or completion of a Quality Assurance program.

17. Exhibitors are responsible for drug residue in market animals. Tranquilizers are considered illegal drugs and are not acceptable. Some feeds have medications that require withdrawal time.
18. Health papers are not required for in-state animals. A Certificate of Veterinary Inspection is required for animals from out of state.

Grounds Rules—

1. No tan bark or mulch; limited to straw, shavings or sawdust on entire fairgrounds.
2. Stall space is not to be used for any hay, straw, feed or supplies.
3. All Jr. Fair exhibits will be displayed or housed where designated by the superintendents in charge.

10. No radios or music allowed in grooming or wash rack areas.
11. Exhibitors must use provided pens assigned by the Jr. Fair department.

12. Clean Pen Award:

The Jr. Fair department of each barn will pick two people per day that they believe has kept their pen, AND the aisleyway in front of it the cleanest. The two winners of each barn will be given a free milkshake coupon to be used at the Jr. Fair Lunchstand. An exhibitor may only win the Clean Pen Award one time during the week of the fair, but is expected to keep up the good work the remainder of fair week. Premium money may be revoked if an exhibitor has to be asked repeatedly to clean their pen and/or the aisleyway in front of it.

12. Grooming/Chute Space Guidelines

- No chutes, stands, tents or supplies are permitted on the fairgrounds before Saturday before check-in at 8:00a.m. This includes markings on the ground or stakes and/or ropes of any kind.
- Only chutes and grooming supplies should be in grooming areas. Please use reasonable judgement – department personnel may ask you to remove items not used in caring for or grooming livestock.
- Exhibitors should plan to bring their own power – our buildings and electric are not equipped to handle the demand.
- In an effort to have room for everyone, we ask that exhibitors limit their space to only what is necessary – partner up with friends/family/club members when possible.
- Consequences of violating these guidelines will be based on severity and frequency of violations to include: verbal warning, written warning, loss of privileges to bring tents and/or grooming chutes to the Wyandot County Fair.
- Labeling chutes, stands, or tents with a name and phone number would be appreciated to help us quickly contact you if needed.

Judging—

1. The decision of a judge is final.
2. Only exhibits receiving an “A” grade on projects which are graded will be eligible to compete for special awards.

3. Only Livestock projects receiving an “A” grade in the show ring will be eligible for grand or reserve champion awards.
4. When an exhibit is deemed not worthy of a special award, the judge will make no award even though there may be no competition.
5. At their discretion, judges may award special awards.
6. Exhibitors must show their own project. Any exhibitor showing an animal at the Wyandot County Junior Fair must show his or her animal and stay with that animal through the completion of that class. The only exception will be a physical impairment accompanied by a written excuse from a doctor at least one hour prior to show time, in which case a current Wyandot County Junior Fair exhibitor can show the animal. The only other exception is an exhibitor with two animals in the same class, in which case the exhibitor will show one animal and another current Wyandot County Junior Fair exhibitor may show the second animal.
7. **Jr. Fair Dress Code**—these requirements apply to show and sale. Exhibitors will not be permitted to enter the show/sale ring without appropriate attire. Judges will be informed of this dress code.
 - Dairy—White, full button up shirt (no polo) to be buttoned from bottom to at least two buttons from the collar and tucked in. White pants/jeans with no holes.
 - Horses—Follow the attire described in the Uniform Rules for 4-H Horse Shows available from the Extension Office.
 - All other species—Full button up shirt (no polos) to be buttoned from bottom to at least two buttons from the collar and tucked in. Jeans/pants with no holes.
8. Grand Champion and Reserve Grand Champion Hogs, Beef, Goats and Sheep will be tagged immediately following champion selection. These animals will be slaughtered at a Senior Fair Board designated slaughterhouse. Those animals must be slaughtered with procedures to be followed as specifically directed by the Senior Fair Board. The carcasses will be inspected by either ODA or USDA.
9. Any exhibitor pulling their animal from competition once they have entered the show arena or if an exhibitor who stood first in their class does not return for the champion class, the exhibitor will be disqualified from the show and will forfeit all premiums and awards won at the 2025 Wyandot County Fair.

Release Times—

1. The Wyandot County Fair reserves the right to dismiss an animal based on nutritional and well being per the recommendation of the majority vote of the Wyandot County Fair Vet, Advisory Board, Jr. Fair Coordinator, Sr. Fair Board, and the President of the Jr. Fair Board or the Executive/Representative.

SHOWMAN OF SHOWMEN

Jr. Fair Board Members:

Eli Kidwell, Kyla Conley

Advisory Board: Anna Creswell, Nicole Baumer, Micayla Peschke, Donna Hohman

Judging:

Saturday, September 13th at 5:00 p.m. – Jr. Fair Arena

1. The Showman of Showmen show is a competition between the representatives of the senior showmanship classes. All senior showmanship division winners in beef feeders, dairy, dairy/crossbred dairy beef feeders, dairy/crossbred dairy beef steers, goats, horses, market beef or beef breeding, poultry, rabbits, sheep, and swine departments are eligible to compete. In order to add a livestock species to this list there must be a minimum of 10 exhibitors showing that species in one year. Additions and changes will be made the following year to the livestock list as long as 10 exhibitors are expected that year. The departments will determine how their senior age participant is selected.
2. Dress for the contest should reflect proper and appropriate show ring apparel for the specific species represented. The Junior Fair Dress Code requirements can be found in the Jr. Fair Exhibitor Rules and Requirements section of this book. Livestock do not need to be groomed, only presented clean and with appropriate show equipment.
3. Should one contestant have won two Senior Showmanship Divisions, they must decide which specie they choose to represent with the runner-up in the other division taking their place. ***Contestants must decide within 24 hours of a show if they will represent that species or not to give the runner-up time to prepare.*
4. Should someone be unable to participate, the runner-up will show. It is the responsibility of the winner to notify the runner-up of their opportunity and let the ag teachers know who is showing *** If the runner up cannot compete, then the third place contestant will be provided the opportunity. If the third-place contestant cannot compete, then the species will not be represented in Showman of Showmen for the current year.*
5. Each participant will sign a release of liability form in order to participate.
6. The contest participant will provide their animal and show equipment for the competition in the fair arena at 4:45 p.m. on Saturday of the show. If you feel your animal would not do well in Showman of Showmen and be able to be handled by all contestants, please find a suitable replacement. The poultry division must be represented by a market broiler, no matter what was shown by the winning poultry exhibitor. Animals may be switched out between rotations if needed due to animal fatigue.
7. Due to the similarity of the size and style of showmanship between the market/ breeding beef and dairy/crossbred dairy beef steers and between the beef feeders and dairy/crossbred dairy beef feeders, these exhibitors will only present one of the species for the competition on a rotating basis every two years (even years =

market/breeding beef and dairy/crossbred dairy beef feeder, odd years = dairy/crossbred dairy beef steer and beef feeder).

8. Contestants will be asked to rotate to different species every five minutes. In addition, one rotation will be a 10 question general knowledge test on the species exhibited and the livestock industry. A second rotation will be public speaking where participants will introduce themselves, tell where they are from, what organization they represent, which species they represent, which species they show, what they like about the fair, what they are most looking forward to showing and most scared of showing, and then any additional comments they would like to make.
9. Each judge will rate the participants on a scale of one to ten, with ten being the best. The highest cumulative score will win the contest. Each contestant's score on their represented species will not be used in the scoring, though they will begin by showing their represented species. The two species "out" for the year will begin with the general knowledge test and public speaking.
10. In order to account for an uneven number of scores for those representing the cattle departments, the beef feeder and dairy/crossbred dairy beef feeder participants will not receive a score in either area and the market/breeding beef and dairy crossbred dairy beef steer participants will not receive a score in either area as well. This equalizes the number of scores.
11. Calculating the deviation in the contestant's scores will break a tie. The highest score will be subtracted from the lowest score, yielding the deviation in the contestant's scores. If a tie still exists, then the tie breaker will be the contestant's score on the general knowledge test.
12. A suitable representative of representatives chosen by the Wyandot County Agricultural Education Instructors will judge each division.
13. An exhibitor may only win the Showman of Showmen contest one time during their Jr. Fair career. Contestants may participate more than one time depending on senior showmanship eligibility as set by the departments.

It is also the place where girls return those gifts by becoming the next generation of women leaders through service and reinvestment in their communities.

Girl Scouts exists to address the ever-changing needs of today's girls. As members, girls build strong self-esteem and learn globally marketable skills such as financial literacy and budgeting, teamwork and consensus building, resourcefulness and respect for the environment and appreciation of the arts.
