In Memory of

Rose Pahl

Drop a pebble in the water and watch the ripples circling out - that's the kind of impact Rosalie Pahl had in her community. Rose was born July 30, 1938, as the twelfth of thirteen children to Mary Ann and Jerome Frey Sr. of Kirby, Ohio. She passed away on February 2, 2022 and leaves a lasting legacy behind through her family and involvement in her community.

In 1957, she married David Norman Pahl and they had nine children: Dean (Sue) Pahl, Jerry Pahl, Roger (Nancy) Pahl, Barbara (Bob) Stickel, Chuck (Shawn) Pahl, Norm (Dayna) Pahl, Deanna Pahl, Gina (Mark) Lewis and Ben (Corey) Pahl.

Rose was very talented artistically, musically and domestically. She used those gifts to serve her family, her church and her community. While she enjoyed the years spent as a homemaker surrounded by her family on the farm, she also spent 17 years working at The First Citizens National Bank.

At the Wyandot County Fair, she took home numerous top awards, and gave of her talents to paint the farm mural displayed in the Culinary Building. In addition, she served the 4-H community for many years attending 4-H camp as adult staff and serving as a long time 4-H advisor for the Mifflin Jolly Farmers where she assisted youth with their projects and helped put together many parade floats and fair booths.

Her legacy is strong and as you look around the Fair you'll find many of her nine children, 25 grandchildren and 31 great-children exhibiting livestock, displaying their projects and creations and leading clubs as they have inherited her love of 4-H, the Fair and being a part of Wyandot County.

The regular meetings of the board shall be set by the board during the November meeting each year. Special meetings may be called as often as necessary.

OHIO DEPARTMENT OF AGRICULTURE REQUIRES ALL EXHIBITORS MUST ATTEND A QUALITY ASSURANCE SESSION AT ONE OF THE ABOVE TIMES UNLESS THEY HAVE “TESTED OUT”.

****Deadline for Quality Assurance is July 30, 2022****

All youth planning to exhibit a market or lactating dairy animal in 2022 must attend one of the above scheduled sessions.

Wyandot County Jr. Fair market projects that require Quality Assurance training are: market beef steer, market dairy steer, market swine, market lamb, market goats, market poultry and eggs, market rabbits, beef feeders, dairy feeders, lactating dairy cows and lactating goats. Only Market (meat) Rabbit exhibitors are required to do Quality Assurance, not Pet Rabbit or Breeding Rabbit exhibitors.

First time Jr. Fair exhibitors who plan to exhibit a market or lactating dairy animal in 2022 must attend one of the scheduled sessions. *A parent, guardian or responsible adult must attend the training with the first year exhibitor.*

Ohio Department of Agriculture requires that all exhibitors annually attend and complete a Quality assurance program. **Youth (who are 12 years of age and older and not a first time exhibitor) may take a test based on the appropriate skill level for their age (twelve to fourteen or fifteen to eighteen) following the Quality Assurance program. Youth whose projects pass the test will be exempt from annual Quality Assurance re-certification until they move to the next age bracket or are no longer a junior exhibitor (nineteen years of age or older on December 31st of their last year).**

Quality Assurance training from another exhibition will be accepted for the Wyandot county Fair the exhibitor must present proof of training to the OSU Extension Office **before July 30, 2022.**

A Drug Use Notification Form DUNF must be completed for all junior market livestock, including market poultry, lactating dairy cattle and lactating goats. The DUNF must be reviewed for compliance with mandatory annual attendance or completion of a Quality Assurance Program.

There will be no “make-up” opportunity for Quality Assurance Training. Exhibitors not receiving the training by July 30, 2022 will be ineligible to exhibit at the 2022 Wyandot County Fair.

Livestock Interview Judging is at the discretion of each Jr. Fair organization.

Arrangements must be made with the OSU Extension Office for make-up judging.

*****This document supersedes any other rules including the 4-H Handbook.*****
Health papers are not required for in-state animals.

A Certificate of Vaccination is required for horses and feeder calves only. This can be filled out by your veterinarian at the time of vaccination and does not require a

visual inspection of the animal within 30 days of the Fair. If you have any concerns about whether or not your animal is healthy for the Fair, you should have the

animal examined by a veterinarian prior to the arrival at the Fair. Due to these changes in the health regulations, an animal inspection will be performed as animals enter the fair grounds on Sunday, September 11, beginning at 2 p.m. Any animals showing signs of contagious diseases or poor health will be removed from the grounds. All feeder calf projects will be required to present their certificate of Vaccination to the Department advisor at weigh-in.

A veterinary inspection will also be conducted on Monday morning, September 12, 2022. All animals must be in their assigned pens and without body coverings such as blankets and hoods.

A Certificate of Veterinary Inspection (Health Paper) is required on animals from out of state. See the rules and regulations in the Official Fair Premium Book.

All feeder calves are required to receive 2 vaccinations for IBR, BVD, BRSV, PI3 and Pasteurella. The first official vaccine will be given by a veterinarian on June 4, 2022, at the cost of \$8.00 per calf. The booster vaccine must be given by a veterinarian between July 10 and August 15, 2022. Your veterinarian must sign your Certificate of Vaccination and enter the date that the vaccine was administered. The Certificate of Vaccination will be provided at Weigh-In/Tag Day on June 4, 2022.

All feeder calves must be castrated on or before July 15, 2022. **(No evidence of testicular tissue by August 15th)**. Calves are to be hornless, meaning they have no horns, no scurs and smooth to the scalp. All cattle must be free of ringworm. Warts are at Vet's discretion. Any animals exhibiting these diseases will not be permitted to remain on the Fairgrounds.

Horses are required to be vaccinated by a veterinarian for equine influenza between March 1 - August 31, 2022. The vaccination for Rhinopneumonitis is at the discretion of the horse's owner. Proof of vaccination will be a completed

Certificate of Vaccination. All horse exhibitors must turn in their veterinarian papers to the Horse Department Advisors prior to the fair or the horse will not be permitted to remain on the Fairgrounds.

Swine will not need a pseudorabies virus test unless from out of state. If your pig was purchased from an out of state source, it must be tested for pseudorabies. The Swine show is a non-terminal show.

To avoid having to take rabbits or poultry home, have your animals checked for the common diseases – mites, cankers, etc. prior to the Fair. Poultry and rabbits will be examined when they arrive or soon after.

All poultry must be hatched from a NPIP hatchery or from a state certified Pullorum-Typhoid Tested Flock or be tested with a certified Pullorum test prior to September 1st. Pullorum tests are at the owner's expense. ***Hatchery papers or a copy of hatchery papers must be turned in to Sr Fair Office by – August 15th***. For inspection upon entry at the Fair to assure birds are within the age guidelines and will be checked by the Jr. Fair Department Advisors prior to the Fair.

All sheep and goats must have an official USDA Scrapie ID Tag or tattoo. Tattooed animals must be accompanied by official Scrapie documentation.

Exhibitors are responsible for drug residue in market animals. A drug use notification form (DUNF) must be completed for all Jr. Fair market livestock except feeders, rabbits and poultry. Tranquilizers are considered illegal drugs and are not acceptable. Some feeds have medications that will require withdrawal time. Be sure to check for any medications in your animal's feed that may require a withdrawal time.

JR. FAIR SHOWMANSHIP CLASSES

--- A special thanks to Kimmel Corp., Upper Sandusky, for donating the pins used for the numbers for all Livestock Shows.

Each livestock exhibitor is encouraged to enter the showmanship classes. There is no entry form but be sure to check the bulletin board in the departments to see if a sign-up is required.

Exhibitors must use their project animals which they have shown or will show in other classes in Jr. Fair.

An exhibitor's age on Jan. 1st of the current year determines the showmanship division the exhibitor participates in.

There is no limit on the number of showmanship classes an exhibitor can enter or win in one year.

Exhibitors winning their age division (with the exception of the senior division) have the option of moving up an age division or remaining in that age division the following year(s) until they age out of division.

Unless noted for the department, exhibitors may show multiple years in senior showmanship, even having won that senior showmanship division previous years.

SHOWMAN OF SHOWMEN

Jr. Fair Board Members

SPECIAL AWARDS

First Place Trophy

Joe Lininger Family

Second Place Trophy

Rod Phillips Family

Saturday, September 17
5:00 p.m. – Jr. Fair Arena

The Showman of Showmen show is a competition between the representatives of the senior showmanship classes. All senior showmanship division winners in beef feeders, dairy, dairy feeders, dairy steers, goats, horses, market beef or beef breeding, poultry, rabbits, sheep and swine departments are eligible to compete. In order to add a livestock species to this list there must be a minimum of 10 exhibitors showing that species in one year. Additions and changes will be made the following year to the livestock list as long as 10 exhibitors are expected that year. The departments will determine how their senior age participant is selected.

Dress for the contest should reflect proper and appropriate show ring apparel for the specific species represented. The junior fair dress code requirements are pants/jeans with no holes and full button up shirts, no polos, to be buttoned from bottom to at least two buttons from the collar and tucked in. Dairy and horse exhibitors may have additional dress code requirements. Livestock do not need to be groomed, only presented clean and with appropriate show equipment.

Should one contestant have won two Senior Showmanship Divisions, they must decide which specie they choose to represent with the runner-up in the other division taking their place.

Should someone be unable to participate, the runner-up will show. It is the responsibility of the winner to notify the runner-up of their opportunity.

Each participant will sign a release of liability form in order to participate.

The contest participant will provide their animal and show equipment for the competition in the fair arena at 4:50 a.m. on Saturday of the show. If you feel your animal would not do well in Showman of Showmen and be able to be handled by all contestants, please find a suitable replacement. The poultry division must be represented by a market broiler, no matter what was shown by the winning poultry exhibitor. Animals may be switched out between rotations if needed due to animal fatigue.

Due to the similarity of the size and style of showmanship between the market beef and dairy steers and the beef feeders and dairy feeders, these exhibitors will only present one of the species for the competition on a rotating basis every two years (even years = market beef and dairy feeder, odd years = dairy steer and beef feeder).

Contestants will be asked to rotate to different species every five minutes. In addition, one rotation will be a 10 question general knowledge test on the species exhibited and the livestock industry. A second rotation will be public speaking where participants will introduce themselves, tell where they are from, what organization they represent, which species they represent, which species they show, what they like about the fair, what they are most looking forward to showing and most scared of showing, and then any additional comments they would like to make.

Each judge will rate the participants on a scale of one (1) to ten (10), with ten being the best. The highest cumulative score will win the contest. Each contestant's score on their represented species will not be used in the scoring, though they will begin by showing their represented species. The two species "out" for the year will begin with the general knowledge test and public speaking.

In order to account for an uneven number of scores for those representing the cattle departments, the beef feeder and dairy feeder participants will not receive a score in either area and the market beef and dairy steer participants will not receive a score in either area as well. This equalizes the number of scores.

Calculating the deviation in the contestant's scores will break a tie. The highest score will be subtracted from the lowest score, yielding the deviation in the contestant's scores. If a tie still exists, then the tie breaker will be the contestant's score on the general knowledge test.

A suitable representative of representatives chosen by the Wyandot County Agricultural Education Instructors will judge each division.

GIRL SCOUTS

Advisory Board:

700

Girl Scouts of the USA is the world's preeminent organization dedicated solely to girls – all girls – where, in an accepting and nurturing environment, girls build character and skills for success in the real world. In partnership with committed adult volunteers, girls develop qualities that will serve them all their lives, like leadership, strong values,

social conscience and conviction about their own potential and self-worth.

Girl Scouts of the USA was chartered by the United States Congress in 1950.

Through membership in the World Association of Girl Guides and Girl Scouts,

GSUSA is part of a worldwide family of 10 million girls and adults in 145 countries.

Girl Scouts of the USA is a nonprofit 501(c)(3) organization.

Girl Scouts of Ohio's Heartland Council is proud to be a girl-centric and girl-driven environment where a girl finds courage to explore new worlds and adventures, confidence to believe in herself and her abilities, character to stand by her values and connections to girls from every background. It is also the place where girls return those gifts by becoming the next generation of women leaders through service and reinvestment in their communities.

Girl Scouts exists to address the ever-changing needs of today's girls. As members, girls build strong self-esteem and learn globally marketable skills such as financial literacy and budgeting, teamwork and consensus building, resourcefulness and respect for the environment and appreciation of the arts.

Girl Scouts is open to girls age 5-17. A girl or adult who meets or can meet membership requirements shall not be denied admission to Girl Scouting due to age or disability or because of race, color, ethnicity, religion, national origin or socioeconomic status.

As of October 1, 2009, Girl Scouts of Ohio's Heartland Council serves the girls and adult volunteers in 30 counties: Adams, Ashland, Coshocton, Crawford, Delaware, Fairfield, Fayette, Franklin, Gallia, Guernsey, Highland, Hocking, Holmes, Jackson, Knox, Licking, Madison, Marion Morrow, Muskingum, Perry, Pickaway, Pike, Richland, Ross, Scioto, Union, Vinton, Wayne and Wyandot.

Objectives of the program are to stress spiritual values and duty to God, country and service to others.

It is the mission of the Hardin Area Council, Scouts BSA, to serve others by helping to instill values in young people and in other ways, to prepare them make ethical choices during their lifetime in achieving their full potential. The values we strive to instill are based on those found in the Scout Oath and Law.
